

UBC Critical Care Medicine

Bringing Excellence in Critical Care, Teaching and Research to the Bedside

Critical Care Medicine Competency Committee

Membership List

April 30, 2019

The University of British Columbia (UBC) Critical Care Medicine Competency Committee (CC) is tasked with CCM Resident evaluation, competency assessment and promotion for the Critical Care Medicine Training program at UBC.

Membership:

The membership of the Competency Committee will be composed as follows:

- a) Competency Committee Chair – this individual will be an intensive care physician who is an active staff member at one of the core training sites. The CC chair will not be the Program Director.
- b) UBC CCM Program Director
- c) CC Advisors
- d) Member from outside the Program (Program Director from Anesthesia, Pulmonary, General Surgery, Emergency Medicine, etc)
- e) Past Chair
